THE GRATITUDE SAILING INSTITUTE 2026 CLASS SCHEDULE

ASA 118 (Docking Endorsement)

Two Day Course

Tuition: \$640

Includes Books & ASA Certification

2026 ASA 118 Schedule

May 11-12	July 6-7	Sept 13-14
-----------	----------	------------

Docking safely and damage free can be challenging, especially in a brisk breeze. Bow sprits, marriages, and partnerships are often broken or severely damaged in the process. This class is a hands-on docking practice program on cruising yachts to help sailors of all skill levels master the art of docking.

ASA 116 (Dinghy & Outboard Endorsement)

One Day Course

Tuition: \$320

Includes Books & ASA Certification

2026 ASA 116 Schedule

May 11	July 6	Sept 13
--------	--------	---------

Private Docking Instruction

For groups of two, three or four students.

\$1400 per day

Two days are required if ASA 118 Certification is desired.

We provide docking instruction on personal boats and can also schedule private docking instruction on one of our vessels for two to four students in a group. We're told that our instructors have saved several boating marriages. Often, couples schedule one day of private docking instruction focusing on a specific need. For ASA 118 (Docking) endorsement, two back-to-back days are scheduled to cover the required training and testing. Adding ASA 116 Dinghy & Outboard Endorsement is a great option.
